

LEAD DATING

Presented by Women of MichBio

Tuesday, October 22 | 3:00 pm - 7:00 pm

Michigan State University - Spartan Innovations
325 E. Grand River Ave., Suite 355 East Lansing, MI 48823

It's our pleasure to invite you to **NETWORK AT THE SPEED OF LIGHT!**

We get it - networking isn't at the top of your to-do list. You have meetings to attend, projects to manage, and a family to go home to, making it all too easy to forgo the opportunity to make, or nurture, a connection. But, a strong network can be an essential tool in advancing your career.

Join us October 22nd for a Lead "Dating" event designed to give you the most impactful networking experience possible in the shortest amount of time. This event will follow a speed dating format where attendees have a few minutes to meet each other and see if they have professional chemistry before moving on to the next person. Attendees will meet approximately 35 other bio-industry professionals in a fun and frenzied two-and-a-half hours of Lead "Dating" followed by a casual reception.

Walk away with business cards, meeting opportunities, and connections to bio-industry professionals from around the state.

This event is presented by the Women of MichBio committee and is open to all bio-industry professionals regardless of career stage, job title, or gender.

MichBio Members: \$10

NonMichBio Members: \$25
